

THE BEAUTIFUL GUILD

October 2026 Newsletter

Dear Residents,
As we enter the month of October, I
find myself

reflecting on a September that
brought with it moments of sadness,
change, and also much to be thankful
for.

The Guild is more than the buildings
we live in, the gardens we tend, or
the maintenance projects we
undertake. The Guild is its people. It
is the friendships, the conversations,
the kindness shown to one another,
and the memories that we create
together.

September reminded us of this in a
particularly poignant way with the

passing of Mr Jeff Dorfman. Jeff had been with us at The Guild for only two years, yet in that relatively short time he became a much-loved member of our community. His passing was felt deeply by those who knew him, and our thoughts remain with his family and loved ones.

September also brought change within our

governance, with Janet Gibbins resigning as a Trustee. Janet has given considerable time and effort to The Guild, and we thank her sincerely for her contribution and for the many occasions on which she went the extra mile for our community.

And now, as we look towards October, there is another important matter on the horizon — our long-awaited Annual General Meeting. The AGM is an important opportunity for residents to come together, to receive an account of where The Guild stands, to consider the matters before us, and to look towards the future of our community.

At the same time, the work of The Guild continues. Maintenance, gardening, water, buildings, finances and the many small things that often go unnoticed continue every day.

Much has been achieved, and there is still much to do.

But above all, I believe we should

never lose sight of the people who
make The Beautiful Guild what it is.

Let us continue to look after our
homes, our gardens, our neighbours
— yes, most importantly one another.
