

The Guild October 2026 Newsletter

Dear Residents,

As we enter October, I find myself reflecting on a September that brought moments of sadness and change, as well as much to be thankful for.

The Guild is more than the buildings we live in, the gardens we tend, or the maintenance projects we undertake. The Guild is its people. It is the friendships, the conversations, the kindness shown to one another, and the memories we create together.

September reminded us of this in a particularly poignant way with the passing of Mr Jeff Dorfman. Jeff had been with us at The Guild for only two years, yet in that relatively short time he became a much-loved member of our community. His passing was deeply felt by those who knew him, and our thoughts remain with his family and loved ones.

And now, as we look towards October, another important matter is on the horizon — our long-awaited Annual General Meeting. The AGM is an important opportunity for residents to come together, to receive an account of where The Guild stands, to consider the matters before us, and to look towards the future of our community.

At the same time, the work of The Guild continues. Maintenance, gardening, water, buildings, finances, and the many small things that often go unnoticed continue every day. Much has been achieved, and there is still much to do. But above all, I believe we should never lose sight of the people who make The Beautiful Guild what it is.

Let us continue to look after our homes, our gardens, our neighbours — yes, most importantly, one another.
