The Guild Newsletter — November 2026

Dear Residents,

As we welcome November, we are reminded of the importance of community, patience and looking after one another. The Guild is more than a place to live; it is our home, and together we can make it peaceful and welcoming for everyone.

🏡 Welcoming Our New Residents

We warmly welcome our new residents to The Beautiful Guild:

- Anne Reid — Unit 46
- Mr and Mrs Friedman — Unit 15

We hope you settle in comfortably and enjoy many happy years in our community. May your new homes be filled with happiness, friendship and peace.

Welcome to The Guild!

💧 Water Update

We continue to experience challenges with our water supply, despite the installation of our borehole. We have received further communication from Borehole Africa and are carefully considering the options available to us.

We understand the inconvenience this has caused residents and appreciate your patience while we work towards a sustainable solution. Further updates will be shared as soon as decisions have been made.

We ask everyone to please continue using water responsibly.

🌿 Caring for Our Beautiful Gardens

The ongoing drought and lack of rainfall are placing considerable strain on our gardens. These gardens are an important part of the beauty and character of The Guild, and we are exploring practical ways to protect them while conserving our limited water resources.

Residents are reminded that garden irrigation must not take place between 07:00 and 18:00.

Every effort to save water makes a difference. Thank you for helping us protect our beautiful surroundings during this difficult period.

🤝 Our Newly Elected Trustees

We would like to express our sincere appreciation to Clive Ashpole and Cynthia Reichman-Israelsohn for their time, effort and dedicated service as Trustees of The Guild.

We are pleased to introduce our newly elected Trustees:

1. Mark Cotton
2. Sandy Burnard
3. Sharon Sweiden
4. Robert Green
5. Adele Hillowitz
6. Elisa Artemi Cigler
7. Terry Levin

We congratulate our newly elected Trustees and look forward to working together in the best interests of The Beautiful Guild and all its residents.

Trustee portfolios will be assigned at the first Trustees' meeting, and residents will be informed once these have been finalised.

We wish the new Trustees wisdom, unity and success as we continue working together to maintain The Beautiful Guild as a peaceful, happy and caring community.

🎂 November Birthdays

- Rose Johnson – 4th
- Miriam Lang - 27th

May the year ahead bring you good health, happiness and many blessings.

🏘️ Living Together in Harmony

A retirement village is a community made up of people with different personalities, experiences and opinions. From time to time, we may disagree, but mutual respect, patience and kindness can help us find a way forward.

Let us continue to treat our neighbours, fellow residents and staff with dignity and consideration. Small acts of kindness often make the greatest difference.

🙏 A Thought for November

As we approach the end of another year, let us remember that we cannot always control the challenges around us, but we can choose how we respond to them.

May November bring renewed hope, wisdom in our decisions, strength in difficult moments and peace within our homes.

Thank you for being part of The Beautiful Guild. Together, let us continue to make this a place where people feel safe, respected and cared for.

Warm regards,

John Rosser
Estate Manager
The Beautiful Guild
